Corporate Golf Day Information

THE EASTERN
GOLF CLUB

EVENT FORMAT

The most popular competition is Team Ambrose. The format consists of four members of each team playing their tee shot. The best tee shot is selected and the other three players pick up their ball.

All four players then play their second shot from within one club length of the selected ball and so on, until you reach the green. Only the selected shots count.

After the 18 holes have been completed, the team's gross score is totalled, then the team handicap is deducted for a net team score.

- Four Players = 1/8 combined handicap
- Three Players = 1/6 combined handicap
- Two Players = 1/4 combined handicap

Maximum handicap recommendation:
(for those without registered handicaps)

Men - 27 Women - 36

Stableford / Par & other formats can be
organised upon request

CORPORATE GOLF EVENT OPTIONS

Pre-Round Clinic

A great way to start your corporate outing is by getting your clients involved in a short game or full swing clinic.

Clinics run for approximately an hour and allow your clients to get a great head start to the day.

Price \$149 for 1 Hour

On-Course with the Pro

Ever played golf with a PGA professional before? No, well here's your chance. For your next corporate day select a PGA Touring professional and allow us to be a part of your on course play.

As you compete in your competition our professional will play a hole or multiple holes with every group, improving your score and your chances for success on the day.

Some simple advice on how to play the hole and a handy hint for your game can make the day worth your while.

Price \$349 for 18 Holes
